### Conditions of participation and other arrangements

#### **Number and chip placing**

Competitors have to place the **number** on a handlebars, the number can not be twisted (both holes have to be attached to handlebars). A referee will check on the number location. If the number is not placed correctly, the competitors may get disqualified.

**Attention, the number and chip have to be returned to the organizer.**

**Chip** has to be placed on the front fork of the front scooter wheel above the ejector or the other side from the fork sensor CC. The referee will check on the chip. If the chip is misplaced, the competitor undertakes to pay 500 CZK damage fee at the spot if the chip gets lost.

The competitor has to complete the whole race with the scooter. The scooter can be replaced only when a defect occurs (for example cracked frame, defect, breaks damage, and so on). A spare scooter has to have a chip - it can also be a different competitor's chip that does not race.

Workers operating chips and the organizer have to be notified about change details such as name, last name, year of birth, category, a number of the chip that the competitor finished the race with, and also the reason for the scooter change. The change details have to be provided by the competitor or the team no longer than 5 minutes after finishing the race.

If the details are not provided, the competitor who switched the scooter will be disqualified.

### **Starts – lining up at the start:**

The long race start will be organized in rows by the organizer. The competitor has to obey and respect everything told by the organizer before the race.

The organizer will look at the Rollo League 2021 results and the rolling order of ČKP when giving the number. The organizer reserves the right for "a wild card" based on proven performance in the TOP 30 for men and TOP 20 for Women.

The organizer reserves the right to determine the number of rows and change the number of competitors in one row based on the total number of registered competitors.

The race is run according to the Rules of the Cycle and the Competition Rules for 2022.

The race is measured electronically through a chip..

The competitors have to race with a helmet. The competitor not older than 18 years has to bring forward a written start permit agreement signed at least by one of the legal representatives (parents). See the attachment.

A program may change. See the organizer's and moderator's instructions. The organizer may edit the length of individual races or schedules due to adverse weather conditions.

The organizer reserves the right to technical change in the race schedule due to adverse circumstances.

The organizer is responsible for the medical condition of the competitor, resp. the competitor itself (parents or legal representative for children)

The competitors, accompaniments, and spectators take part in the event at their own risk. Please note the general danger of theft. The organizer does not take a responsibility for injuries, possible losses, and damages of gear before and during the race, or damages caused during the race by other competitors or third parties. Each competitor has to be ready physically and psychically.

Each competitor has to be physically and psychically ready for the race. We highly recommend a medical examination and having an insurance contract concluded for participating in the race.
